Dear Karen,

We just wanted to thank you so much for the incredible dinner you prepared and served us for our Teacher Appreciation. The food was absolutely delicious (especially the chili-lime sauce!!) and the service was wonderful! You were so easy to work with and we appreciate so much all the little "extras" such as the "Thank You to the Teachers" sign. You truly went over our expectations!

Thank you again for all of your hard work! We look forward to using you in the future!

God Bless You,
